In re Application of
Thomas W. Dubensky et al.
Application No. 10/773,618
Filed: February 6, 2004
Attorney Docket No. 282172002800

ON PETITION

This is a decision on the petition under 37 CFR 1.182, filed November 9, 2004 to correct the full names of the third and fifth named inventors.

The petition is **GRANTED**.

The petition requests that the third inventor's name be corrected from Keith Bahjat to "Keith S. Bahjat" and that the fifth inventor's name be corrected from David Cook to "David N. Cook".

A review of the official file reveals that the fifth named inventor signed the declaration as David N. Cook although the typewritten name is listed without the middle initial. Generally, in an application where the name is typewritten with a middle name or initial, but the signature is without such middle name or initial, the typewritten version of the name will be used.¹

Nonetheless, an application data sheet has been submitted with the full names of joint inventors Bahjat and Cook indicated, as desired and the corrections have been made.

This matter is being referred to Technology Center 1645 for examination in due course.

Telephone inquiries concerning this matter may be directed to the undersigned
Petitions Attorney at (571) 272-3212.
